"Baby Go Wit'ou?"

Nothing delights baby more than to be taken everywhere mother goes. The way to do so is with an

Oriole Go-Basket

On ears and trains, into crowded streets and alleys, you can take the baby without trouble and never

lose him. Simply pull cord and the basket rests gently on the ground, ready to stand there or be carried on the arm with wheels out of sight. Can be used as a high-chair, bassinet, jumper, etc.

Recommended by physicians.
